Amended Voluntary Petition

The Executive Committee of the Judicial Conference has approved amendments to Bankruptcy Official Form 1, the Voluntary Petition. The amendments make the Official Form consistent with new Bankruptcy Rule 9037 by requiring that filers redact individual taxpayer identification numbers (ITINs) as well as social security numbers.

Amended "Means Test" Forms

The amended "means test" forms have been approved by the Judicial Conference, and are the amended versions of Bankruptcy Official Forms 22A, 22B, and 22C.

Proposed amendments to the three forms were published in August 2006. Because the "means test" forms are based on the national standards and local standards set out in the Internal Revenue Service's Collection Financial Standards, additional, conforming changes to Forms 22A and 22C became necessary. In order to reduce possible confusion, action also was deferred on the proposed revisions to Form 22B.
