ECF System and PACER System

Electronic filing system (ECF) allows registered users to perform the following functions:

- File pleadings and documents in cases electronically
- Maintain user account information

Public Access to Court Electronic Records System (PACER) provides registered PACER users access to:

- Query and Report features in ECF system
- View and print documents filed in the ECF system

To register for a PACER account, contact the PACER Service Center at (800) 676-6856 or (210) 301-6440 or online at www.pacer.gov for additional information.

Hardware and Software Requirement

The hardware and software needed to file, view, and retrieve case documents electronically are:

- A personal computer running a standard platform such as Windows or Macintosh operating system;
- An Internet service provider;
- Microsoft Internet Explorer version 7 or 8;
- Firefox 3.5;
- A word processing application such as WordPerfect or Microsoft Word;
- Portable Document Format (PDF) software (such as Adobe Acrobat) to convert documents from the word processor format to PDF;
- Adobe Acrobat Reader, which is available for free, for viewing PDF documents; and,
- A scanner to convert paper documents to electronic format.

ECF Registration

To utilize the ECF system fully, attorneys must be registered to use both the court's ECF and the PACER system. Attorneys with an existing PACER account may continue to use it and need only register with the court to use ECF.

Attorneys must register with the court to receive a login and password for the ECF system, by completing the registration form available for download from the court's website (www.mssb.uscourts.gov) and either emailing the signed form to MSSB_IT@mssb.uscourts.gov or mailing or hand delivering the form to:

Pursuant Miss. Bankr. L. R. 5005-1(a)(2)(A) registration as an attorney CM/ECF user constitutes consent to receive electronic service or notice of documents filed in the CM/ECF system, except with regard to service of a summons and complaint under Fed. R. Bankr. P. 7004 for adversary proceedings.

[ECF Account Information](#)

Registered users are responsible for updating their mailing addresses and email addresses on-line through the ECF system.

[Passwords](#)

The court will assign each registered user a system password. Users may change their password.

The password is case sensitive. The password must have a minimum of eight characters, including upper and lower case characters and one number or special character (e.g. !@#\$%). Once registered, the user is responsible for all documents filed with his/her password.

Documents Filed in Error

A document incorrectly filed in a case may result from:

1. Posting the wrong PDF file to a docket entry;
2. Filing documents in the wrong case;
3. Selecting the wrong event

Once a document is submitted electronically, it becomes part of the court file, and corrections may be made only by the Court and/or the Clerk's office. The system will not permit the filing party to make changes to the document(s) or docket entry once the transaction has been accepted, and the filer should not attempt to re-file the document(s).

As soon as possible after an error is discovered, the filing party should contact the Case Administrator assigned to the case in the Clerk's office (601) 608-4600 for Jackson and (228) 563-1790 for Gulfport with the case number and document number for which the correction is being requested. A complete list of Case Administrator assignments can be found on our web site at www.mssb.uscourts.gov under Contact Us > Contact Information. If appropriate, the Clerk's office will make an entry on the docket indicating that the document was filed in error, or otherwise describing the error. The Clerk's office will inform the filing party of the corrective steps which need to be taken to correct the error.

Signatures

Pursuant to Miss. Bankr. L. R. 9011-1(a)(2), the attorney's name under whose login and password the document is submitted must be displayed as an image of a signature or by an "/s/" and typed in the space where the signature would otherwise appear. (e.g. /s/ Jane Doe).

Documents filed that require an original signature under any rule or statute; must be filed electronically, with originally executed copies maintained by the ECF filer for one year after the case is closed in the bankruptcy court.

ECF e-Orders

Technical Requirements

Proposed orders uploaded in ECF must be submitted in PDF format. No security should be applied to the PDF file. It is recommended that orders be created using a word processing application such as Word or WordPerfect and saved to PDF rather than scanning a copy of the document. This makes the order legible and results in a text-searchable document.

Formatting Requirements

1. 8 ½ x 11 standard paper size.

The ECF system will not accept a PDF document with one or more pages exceeding the standard page size limit. The ECF system will return a failure message ending the upload process.

“FAILURE: Your PDF document has one or more pages that exceeds the standard page size limit, and cannot be accepted until fixed.”

- | | | |
|------------|-------------------|-------------------------|
| 2. Margins | <u>First Page</u> | <u>Subsequent Pages</u> |
| | Top 3” | Top 1” |
| | Bottom 1” | Bottom 1” |

3. End of Order:

- Include an ending notation signifying the entire body of the proposed order is included. Below the last paragraph:
 - Insert one blank line
 - Insert **##END OF ORDER##** and center it.
- Do not include the text “*So Ordered*”
- Do not include judge’s signature line (*See example on next page*).

4. Proposed order and all exhibits must be uploaded as one PDF document.

5. PDF document file size must not exceed 5MB.

Example

The diagram illustrates the layout of a bankruptcy court order. On the left page, a red double-headed arrow indicates a **3" Top margin first page**. The text on this page includes the court name (UNITED STATES BANKRUPTCY COURT SOUTHERN DISTRICT OF MISSISSIPPI), case information (Case No. XX-XXXX-XXX), and the title (ORDER GRANTING RELIEF FROM THE AUTOMATIC STAY AND CO-DEBTOR STAY). The main body of the order contains several paragraphs of placeholder text (Lorem ipsum) and a numbered list of three items.

On the right page, a red double-headed arrow indicates a **1" Top margin subsequent page(s)**. The text continues with more placeholder paragraphs. A red circle highlights the text **##END OF ORDER##**, with an arrow pointing to it and the instruction **Include text to indicate end of the order.** Below this, there are sections for signatures: **Approved:** (Signature of attorney, Attorney's Name, Attorney for Creditor), (Signature of attorney, Attorney's Name, Attorney for Debtor), and (Signature of trustee, Trustee's Name). A **Submitted by:** section follows, listing fields for Attorney Name, Bar Id, Address, City, State, Zip, Telephone Number, and email.

Resubmission Notification

When a new or revised order is required, the ECF system will generate an email to the individual that uploaded the proposed order to the ECF system. The resubmission notification is emailed to the individual's ECF **primary** email address associated with his/her ECF user account.

Important: Any secondary email address associated with the ECF user's account **will not** receive resubmission email notifications.

As with all emails from the Court, ECF users are responsible for monitoring resubmission notifications; expeditiously taking action to satisfy the request; and making certain deadlines for submitting proposed orders are met.
